Circular No. (14) for the year 2016

Date: 8/09/2016
Ref No: CWMH/LTD/928/16

Dear / Used Tyres Waste Producers in Al Ain Region.

Subject: Management of Used Tyres in Al Ain Region

Greetings...

Kindly be informed that all used Tyres Waste Producers are required to comply with the following:

1. Contract with Tadweer approved waste transporter with activity (non-metallic) to collect and transport used Tyres waste.

2. Ensure that the used Tyres Waste is delivered to a Tadweer’s Permitted Trader or Treatment / Recycling Facility in Al Ain Region “GRF” via an approved and permitted Transporter in accordance with agreed market rates.

3. Maintain Original manifests (validated by permitted trader or treatment facility) and submit to Tadweer as required.

Please note that the following requirements are mandatory:

1. The Contractor must be equipped with transporters with capability to transport non-metallic waste.

2. The Contractor must deliver the waste to the facility via an approved transporter.

3. The waste must be transported at market rates.

By, Tadweer

Circular No. (14) for the year 2016

Therefore, all concerned entities are required to comply with the above mentioned instructions in order to avoid any legal and administrative actions against violators. In case of noncompliance to the above mentioned requirements, the concerned used Tyres waste producers shall bear financial and technical implications until they rectify their situations and fully comply with Tadweer’s rules and regulations.

For more information, please contact Abu Dhabi Government Center at 800555, or via email: info@cap-cwm.com.

Thank you for your cooperation.

Dr. Salem Khalfan Al Kaabi
Deputy General Manager
