Circular

Date: 29/12/2015
Ref No: CWMH/LTD/15

Subject: Registration in Transportation and Treatment of Medical Waste Service in Al Ain City.

Dear Medical Waste Producing Facilities in Al Ain City,

Greetings...

With reference to the above subject, and referred to the previous Circular No. CWMH/LTD/806/15 dated 07/29/2015, and Within TADWEER’s future strategic vision for the waste management in the Emirate of Abu Dhabi aiming to ensure the proper handling of waste in accordance with the regulations and standards followed by TADWEER, and based on Law No. (21) for the year 2005 on waste management in the Emirate of Abu Dhabi, and in accordance with the provisions of Local Law No. 17 for the year 2008 concerning the establishment of the Center of Waste Management, and in TADWEER’s effort to create an environment clean and free from pollutants, by implementing the integrated transport and treatment of medical waste management system in Al Ain City, through contracting with Environmental Service Provider, which provides the transportation and treatment of medical waste produced by the facility, and whole operation managed by Tadweer’s contracted operator in line with the laws and procedures set by TADWEER and the Health Authority. The Service is provided based on a pre-set fee agreed upon in accordance with the terms of the contract that will be issued for the service.

Therefore, all facilities producing medical waste in Al Ain City should register in for the Transportation and Treatment of Medical Waste Service, via TADWEER’s (Medical Waste Agreement) available on the website: http://licensing.tadweer.ae/en/ServiceGuide/Pages/Applications.aspx

Circular

And visit the Customer Service’s main branch in Al Ain to submit the required forms and application within two weeks from the date of this Circular’s issuance.

Accordingly, Facilities should abide by the above in order to avoid legal and administrative measures, including:

- Suspending the Transportation and Treatment of Medical Waste Service for the facility,
- Bearing the responsibilities of all the environmental damage resulting from non-participation in the service,
- Suspending of the violator’s commercial license by the department of Economic Development.

And that until the facility rectifies its situation in accordance to the laws and regulations set by TADWEER.
