Circular No. (8) for the year 2016

Date: 28/06/2016
Ref No: CWMH/LTD/ 706/16

Dear Environmental Service Providers (ESPs) operating in the field of waste transportation.

Subject: Adherence to HSE regulations and usage of Proper PPE for all ESPs transporting waste to Tadweer facilities.

Greetings...

In reference to the above subject, and based on Law No (21) for the year 2005 regarding waste management in the Emirate of Abu Dhabi, Abu Dhabi Environment, Health and Safety Management System Regulatory Framework for the year 2006 and its associated EHS Regulatory Instrument Code of Practice 2.0 relating to the Personal Protective Equipment and in order to support Tadweer’s efforts to achieve sustainable Abu Dhabi 2030.

Kindly be informed that it has been observed several ESPs and their employees operating vehicles in waste transportation are not using appropriate Personal Protective Equipment (PPE). Considering that, the use of PPE at all operational situations is a dire necessity, failure of which may lead to accidents, sometimes fatal. Therefore, all ESPs are required to comply with the following:

Kindly be informed that it has been observed several ESPs and their employees operating vehicles in waste transportation are not using appropriate Personal Protective Equipment (PPE). Considering that, the use of PPE at all operational situations is a dire necessity, failure of which may lead to accidents, sometimes fatal. Therefore, all ESPs are required to comply with the following:

Circular No. (8) for the year 2016

1. All employees should strictly adhere to the Safety norms of ADEHMS and Tadweer and wear suitable PPE keeping in mind, the nature of work, surroundings and weather conditions.

2. Any PPE provided must fulfill the following requirements:
   - It must be effective in controlling the risk, without increasing overall risk.
   - It must take into account both ergonomic requirements, including comfort, and the health of the wearer.
   - It must fit properly, if necessary after adjustment.
   - Where two or more items of PPE are required they must be compatible.
