Subject: Asbestos Transportation and Disposal

Dear / Asbestos (Asbestos Containing Material) Waste Producers.

Greetings,

Kindly be informed that all asbestos waste producers are required to dispose of their asbestos waste at Al Dhafrah landfill, as follows:

1. Asbestos waste to be handled properly (packaging, marking labeling & placarding), and to be disposed of at Tadweer’s designated cell in Al Dhafrah Landfill which is dedicated for asbestos waste only.

2. Contracting with Tadweer’s approved ESPs who are authorized to collect and transport asbestos waste.

3. Asbestos waste manifest shall be approved by all concerned parties (Waste producers, waste transporter, and landfill’s operator).

4. Asbestos transportation to be done only by registered ESP’s vehicles, vehicles shall be equipped with (GPS) and registered at Tadweer’s system.

5. Commitment to dispose of asbestos in the designated cell and within the granted time which will be issued by Tadweer.

For the avoidance of doubt, the above list is not exhaustive, and all other applicable regulations and guidelines shall be strictly followed. Failure to comply with any of the above requirements may result in legal action.

Yours sincerely,

[Signature]

Tadweer

6. Providing all required PPE to deal with asbestos waste (e.g.: protective clothing, footwear & respiratory protective equipment).

Kindly be informed that Tadweer has started accepting asbestos waste on its designated cell at Al Dhafrah landfill since 12th August 2014.

Therefore, all concerned entities are required to comply with the above mentioned instructions, in order to avoid any legal and administrative actions against violators, until they rectify their situation and fully comply with Tadweer’s requirements.
