Subject / Installing GPS devices and issuing the necessary permits for vehicles transporting waste to the landfills of Liwa area.

Dear/ All Environmental Service Providers (ESPs) operating in the field of Waste Transportation.

Greetings,

Referring to the above mentioned subject, and based on Law No. (21) in 2005 on waste management in the Emirate of Abu Dhabi, and the decision of the Board of Directors No (1) in 2010 regarding the implementation of fees on producers and transporters for all kind of waste.

Kindly be informed that Tadweer (Center of Waste Management) will apply the installation of electronic tracking (GPS) for all vehicles in Liwa area entering the Compost plant and Umm Al Ghorban landfill starting from Sunday 15/06/2014.

Therefore, all ESPs and vehicles operating in waste transportation are prompted to comply with the following:

1. Obtain permits from Tadweer prior to start operating waste transportation and treatment;
2. Install GPS for vehicles;
3. Provide entry vouchers (coupons) for all transported waste to the landfill;
4. Provide three original copies of waste transportation policy (Manifest).

In order to obtain the above mentioned requirements, all non-compliant ESPs are kindly requested to visit TAM Center - Zayed City - Western Region or, alternatively, Tadweer (Center of Waste Management - Abu Dhabi) - Licensing Department, bringing the necessary data to fill out the required forms.
