Dears/Environmental Service Providers (ESPs) operating in the field of Recycling and / Or Treatment of nonhazardous or hazardous Waste.

Subject: Installing waste weigh bridges at facilities entrance and Connecting to Tadweer IT system

Greetings „ „

In reference to the above mentioned subject, and based on Law No. (21) for year 2005 concerning Waste Management in the Emirate of Abu Dhabi, Law No (17) for year 2008 for the establishment of the center of waste management and the executive council resolutions numbers No(2C/24/2009) and No(15C/ 21/2010) regarding the tariff system at the AD Emirate, and your efforts to support Tadweer in reducing waste landfilling to achieve Abu Dhabi Sustainability Vision 2030, kindly be informed that all Environmental Service Providers operating in the field of waste recycling and / or treatment of non-hazardous or hazardous waste are required to comply with the installation of calibrated weigh scales at the entrance of the facilities and to connect them to Tadweer IT system as this is considered mandatory for maintaining Tadweer permits. Accordingly all ESPs are required to comply with the following:

1. Ensure the existence of proper weigh bridges that are regularly calibrated, at entrances to all facilities no later than August 30 2016.
Circular

2. All facilities are required to report the current status of the weigh bridges (existence/non-existence) by no later than 30th April 2016.

3. Facilitate the work of Tadweer’s technical team, who will visit the facilities in order to assess the currently applicable or planned weigh systems in the period from mid-April to mid-May 2016.

4. Work on the connection of the weigh bridges with Tadweer system, according to the technical team guidance no later than August 30th, 2016.

Therefore, all concerned ESPs operating in the field of Recycling/ or Treatment of nonhazardous and hazardous waste are required to comply with the above mentioned instructions to avoid any legal and administrative actions against violators, in line with Tadweer’s rules and regulations.
