Circular No. (4) for the year 2017

Date: 20/6/2017
Ref No: CWMH/LTD/638 /17

Dear / Environmental Service Providers (ESPs) and Waste Producers (WPs)

Subject: Organization of waste containers in the Emirate of Abu Dhabi

Greetings...

With reference to the above subject and according to Law No. (21) Of 2005 on Waste Management in the Emirate of Abu Dhabi, and to the Law No. (2) for year 2012 in order to preserve the appearance of the Emirate Please be informed that all Waste producers and waste transporters must commit to the following instructions:

WPs responsibilities:

1. Contract with the permitted ESP in the field of waste transportation.

2. The necessity of commitment to the defined containers defined by the waste transporter in accordance with the specifications mentioned through the following link:
   http://licensing.tadweer.ae/ar/Pages/waste-skips.aspx

3. The necessity of placing the containers defined by the transporter within the entity premises or obtaining the necessary permits from the concerned authorities about the location of the container outside the walls.
Circular No. (4) for the year 2017

4. The necessity of commitment not to accumulate waste in containers and communicate directly with the waste transporter to transfer the waste in order to preserve the overall appearance and to prevent the proliferation of insects and rodents harmful to the environment and public health.

5. The necessity to fill the e-waste manifest (Bolisat) and follow the e-manifest procedures.

6. The necessity of waste segregation at source as per the approved guidelines and instructions.

WT's responsibilities:

1. To transfer the full container directly from the source (WP) to the waste disposal locations and Tadweer Treatment facilities.

2. not to collect containers in public places and any locations which not allocated for it.

3. Commitment to use closed containers (SKIP) in terms of putting Tarbal on the containers filled and put an iron cover on the containers (garbage, medical, hazardous, asbestos) to prevent the loss of waste during the transport process, and the non-flying insects and rodents harmful to the environment and public health.

4. Definition of containers according to the requirements and instructions for recycling about container data as follows:
   - Print the company name in Arabic and English on the container.
   - Print the landline and mobile number on the container.

ترجمة التميم رقم (4) لسنة 2017

1. ضرورة الالتزام بعدم تراكم النفايات في الحاويات والاتصال مباشرًا مع الناقل لنقل النفايات حفاظًا على المظهر العام ومنع تكاثر الحشرات والقوارض الضارة بالبيئة والصحة العامة.

2. ضرورة قفل النفايات من المصدر استنادًا إلى الأدلة والتعليمات الصادرة من تدوير.

3. يجب تعين بيانات النفايات في بوليسة نقل النفايات الالكترونية (بوليسيتي) وإتباع إجراءات العمل الخاصة باللوائح.

4. تعريف الحاويات حسب اشتراطات وتعليمات تدوير حول:
   - نبض الحاويات على النحو التالي:
     - طباعة اسم الشركة باللغتين العربية والإنجليزية على الحاوية.
     - طباعة رقم الهاتف الأرضي والمحمول على الحاوية.
Circular No. (4) for the year 2017

In case of non-compliance by the entities with the above stated requirements, all administrative and legal procedures will be taken against violators, including the release of violation of the company by the concerned authorities according to law (2) for the year 2012 regarding the preservation of the civilized appearance of the Emirate and the confiscation of non-compliant containers. And the producers of waste retrieves those containers And prevent containers not known to enter Tadweer facilities
