Subject / Provision of Store for Establishments Operating In The Field Of Waste Trading.

To all Environmental Service Providers operating in the field of Waste Trading.

Greetings...

Reference is made to the above mentioned subject, and to preserve the public interest and ensure the quality of work in order to provide the best services in the field of waste management, based on Law No. (21) in the year 2005 on waste management in the Emirate of Abu Dhabi, and in accordance with the Emirate's strategy towards sustainable Abu Dhabi 2030.

Kindly be informed that all ESPs operating in the field of waste trading are required to provide a storage area for materials and equipments which is used to practice waste trading activity in a safe and secure manner. In order to achieve the above ESPs are required to provide the following:

1. Arrange a storage area suitable for materials and tools to be stored;
2. Provide store contract copy;
3. Provide store site map/layout;
4. Fulfill all requirements of Abu Dhabi Environment Health and Safety Center, including lighting and good ventilation to prevent the accumulation of odors and gases from the stored material and to prevent leakage of liquid substances;
5. Continuously maintain store cleanliness;

All ESPs operating in the field of waste trading are required to comply with the above mentioned instructions, in order to avoid legal and administrative actions against violators based on the applicable rules and regulations of the Tadweer (Center of Waste Management).

Note: Entities shall be given three months to rectify their situation.
