Subject / Inspection Checklist regarding Environmental Service Providers (ESPs) operating on waste treatment fields.

Dear ESPs operating at the field of Waste Treatment.

Greetings,

Thank you for your continuous and outstanding efforts to provide the best level of service to improve work quality in the field of waste management, and based on Law No. (21) For the year 2005 regarding waste management in the Emirate of Abu Dhabi, and according to the applicable mechanisms, laws and regulations at the Center of Waste Management. Kindly find the inspection checklist which will be used to inspect the waste treatment’s facilities; you are kindly requested to prepare all the mentioned items in the checklist before the inspection is conducted to your entity, and ensure availability of electronic copy on CD.

Therefore, all ESPs operating in waste treatment fields are required to comply with the above mentioned instructions in order to avoid any delay in inspection procedures or in issuing waste practice permit.
