A • Customer Obligations

1. The customer shall separate and label the non-hazardous waste and the recyclable waste in designated areas away from the medical waste and according to the specifications and conditions specified by Tadweer and Health Authority - Abu Dhabi (HAAD).

2. The customer shall be committed to collect waste by type in distinctive colored bags and packages inside its entity or in regular basins in accordance with the generation rate and as per the specifications and conditions specified by Tadweer and Health Authority - Abu Dhabi (HAAD) available on the following link: http://licensing.tadweer.ae/en/ServeCeGuides/Pages/TechnicalGuidelines.aspx

3. The customer is committed to separate sharp waste such as needles and scalpels at source in the medical establishments through the designated service provider and under the terms and provisions of the regulations as the provisions, rules and laws related to waste, health and environment and according to the conditions and specifications stated in the agreement, and whereas the facility (hereinafter referred to as the “Customer”) desires to benefit from this service, accordingly the following has been agreed upon:

B • ESP Obligations

1. The service provider shall receive the medical waste from the facility location attached with the waste transportation manifest with the required data related to the transporter.

2. The service provider will transport the medical waste to the treatment station and record the treatment data in the waste manifest.

3. Tadweer or its delegates should verify the validity of data mentioned in the waste manifest and approve it in the designated section and then keep a copy of the manifest.

4. After finishing the medical treatment, the service provider should deliver to the customer a signed copy of the manifest justifying that the operation of treatment has been completed, and the service provider should send a copy to Tadweer.

5. Tadweer is committed to notify the customer in case the service provider has been changed.

C • Financial Conditions

1. The customer shall be committed at the subscription for the service to pay the security deposit for the new account.

2. The customer shall be committed to pay an amount of AED 650 (six dirhams and five fils) per kg of medical waste and that for the collection, transportation, treatment, and disposal of medical waste service.

3. The customer shall be committed to pay the monthly due amount, within a maximum of 30 days from the invoice date by one of the methods available to Tadweer.

4. In case the customer declined or delayed the payment of his dues for the provided service during the specified period, the customer shall pay a fine (%10) of the total value of the claim and the period of the delay is calculated from the first day after the specified period and a maximum of 60 days.

5. In case the customer declined or the payment of his dues subject of the contract within the specified period, Tadweer shall be entitled to suspend the service and impose delay penalties on the customer without previous notification.

6. The customer shall be committed to issue a clearance certificate upon the cancellation of the service and if the customer violates such clearance will be legally liable for any future production of medical waste and any violations related to this account.

Terms of the agreement

According to the terms of Local Law No. (17 of 2008) regarding the establishment of Tadweer (The Center of Waste Management - Abu Dhabi), the responsible authority for the waste management sector, responsible for approving and applying the appropriate technologies to achieve sustainable and integrated waste management in the Emirate; Tadweer will provide the service of medical waste transportation, treatment & disposal for medical establishments through the designated service provider and under the management of the entity according to the procedures, rules and laws related to waste, health and environment and according to the conditions and specifications stated in the agreement, and whereas the facility (hereinafter referred to as the “Customer”) desires to benefit from this service, accordingly the following has been agreed upon:
General Conditions

1. The scope of the provided services is limited to the transportation and treatment of medical waste only for category A,B,C,D1,D2 & E. This agreement does not include (1) chemical waste category D3, and it need a pre-treatment (2) radiating waste category F, (3) the recyclable waste category G, not mixed or polluted by medical waste (4) household waste category H.

2. This agreement may be modified or updated or changed according to the issuance of new law or execution of administrative decisions or to a new decree that requires modifying the terms of the agreement and the customer should approve any changes about this agreement for these reasons and Tadweer shall pre-notify the customer during at least one week from the effective date of the decision or decree.

3. In case the customer doesn’t comply with any of the requirements and the requirements contained in this Agreement or payment noncompliance for the service, the customer will be notified by sending a non-compliance warning and in case the customer continued non-compliance, Tadweer has the right to action against him, including (a) The customer bears responsibility for service suspension, the customer will be notiﬁed by sending a non-compliance warning and in case the customer continued non-compliance, Tadweer has the right to action against him, including (a) The customer bears responsibility for service suspension, (b) licenses suspension (v) any other action Tadweer deems its necessary against him, including (a) The customer bears responsibility for service suspension, (b) licenses suspension (v) any other action Tadweer deems its necessary.

4. All written or electronic letters and notiﬁcations and warnings directed to the customer from Tadweer are Valid and enforceable in front of the customer and the customer should submit the application in person.

5. Tadweer is allowed to terminate the contract at any time without any reason with the productive effects.

6. The interpretation of this Agreement and the rights and obligations of the parties shall be governed by the laws and regulations in force in the United Arab Emirates, and dispute arising between the parties to be resolved amicably and in the case of not being able to be resolved within thirty (30) days be adjudicated by the Emirate courts competent.
